Final-Year Students and Alumni

Scholarship Opportunity for Postgraduate Studies at the University of San Diego, USA (Spring 2027 Intake)

Dear Students and Alumni,

We are pleased to inform you of a postgraduate scholarship opportunity at the **University of San Diego (USD)**, **California**, a top-ranked U.S. Catholic institution recognized for its applied learning and commitment to ethical leadership in technology.

Eligible alumni and graduating students interested in pursuing higher education in the United States for the **Spring 2027 intake** are invited to apply for specialized Master's degree programs with substantial financial aid options.

Key Details & Benefits

- **Eligible Programs:**
 - MS in Applied Artificial Intelligence
 - MS in Cyber Security Engineering
- **Scholarship Funding:**
 - **₹10 Lakh Mission Scholarship** for eligible applicants from select partner Catholic institutions.
 - Additional **merit-based scholarship of up to 25%**.
- **Application Deadline: 15th October**

Why Consider the University of San Diego?

USD combines advanced technical education with ethical leadership development, helping students navigate the practical and societal challenges of emerging technologies.

Registration and Further Information

Interested candidates must register their details and submit their expressions of interest via the link below:

- **Registration Portal:** <https://uofsandiego.s.gy/Wzli9F>
- **Detailed Information:** <https://universityofsandiego.gradright.com/mission-scholarship>

Important Note: Scholarship awards are subject to University admission requirements, eligibility criteria, selection procedures, and applicable institutional terms. Registering interest does not guarantee admission or a scholarship award.

We encourage all interested and eligible students to make use of this opportunity.
