Sub: Foundation Course for I Semester Undergraduate Students

All I Semester undergraduate students (except those enrolled in the B.Voc. programme) are required to complete a **30-hour, 2-credit Foundation Course in Environmental Studies**. Students who have **Environmental Science as one of their optional subjects** are required to take the alternative **Intellectual Property Rights (IPR) Foundation Course**, which carries the same number of credits and instructional hours.

A User Manual explaining how to access the online course content is available via the QR code below.

Please note that successful completion of this Foundation Course is mandatory for all eligible students. There will be a mid-semester test and an end-of-semester examination as part of the course requirements. The course content for Environmental Studies and Intellectual Property Rights will be made available within 24 hours of the release of this notice on the Student Portal.

For academic clarifications regarding the **Environmental Studies** course, students may contact:

Dr Paramesha M

Department of Botany

Email: paramesham@sju.edu.in

For academic clarifications regarding the **Intellectual Property Rights** course, students may contact:

Ms Raj Kiran C. A.

Department of Commerce

Email: raj.kiran@sju.edu.in

All I Semester students are expected to engage with the course content on a regular basis and complete all modules well in advance of the End-of-Semester Examination.
