June 26, 2026

**Notification to all III Semester Undergraduate students to select
multidisciplinary elective - req.**

All III Semester students (except B Voc. students) have to complete a two-credit elective course during the odd semester of 2026-27. This is a course completion requirement. Students should choose one course from the list for their respective schools.

The option to select the multidisciplinary electives (MDE) will be available on the student (Linways) **portal**, as per the following schedule

* III semester students can opt for multidisciplinary elective from June 26, 2026, 5:00 pm onwards and the portal will be kept open till June 29, 2026, 12 pm.

Please note that there will be a cap on the number of students who can opt for a particular course. The seats will be available on a first-come, first-served basis. Students are advised to priorities their top three multidisciplinary elective options and keep them handy before applying.

Please note that BSc EMS students will select one of the MDEs from the School of Physical Sciences.

For the following schools, there will be no choice for selection of the multidisciplinary course, as only one course is offered:

- * School of Physical Sciences (only for students with Shift I timings)
- * School of Communication and Media Studies
- * School of Information Technology
- * School of Social Work
- * B.A. Journalism, Economics & Psychology Programme Shift – III from School of Social Sciences and Humanities.

The list of Multidisciplinary electives that will be offered, are as follows

SI No.	Name of the School	Paper code	Title of the paper	
1	Life Sciences & Chemical Sciences	SCSEL 3125	Forensic Science: Introduction and analysis of evidence	Shift I
		SCSEL3225	Uses and Abuses of Drugs, Toxins, and Poisons	
		SCSEL3225	Uses and Abuses of Drugs, Toxins, and Poisons	Shift II
		SCSEL3125	Forensic Science: Introduction and analysis of evidence	
		SCSEL3325	Cosmetics and Personal Care Products	
2	Physical Sciences	ELMDE 3125	Consumer Electronics	Shift II
		PHMDE 3125	Numerical Methods and Computational Techniques	
		STMDE 3125	Exploratory data analysis using software.	
		MTMDE 3125	Mathematical Modelling	
		DAMDE 3125	National Entrepreneurship Network-Ignite Program (SEC)

		PYMDE 3225	Behavioural Economics	
		ECMDE 3125	Foundations of Political Economy	
		PPMDE 3425	Public Policy and Evaluation	Shift II
		PYMDE 3225	Behavioural Economics	
		INPMDE 3525	History of Warfare in International Relations	
		ENMDE 3125	Extending The Humanities	
		ENMDE 3225	Communicating Science	
		IRSOMDC-125	Sociology of Industrial Relations	
	Humanities and Social Sciences	ECMDE 3125	Foundations of Political Economy	Shift III
		IRSOMDC125	Sociology of Industrial Relations	

4	School of Business	BAMDE 3125	Quick Commerce	Shift I & III
		BAMDE 3225	Design Thinking in Management	
	Management	BAMDE 3325	Business and Corporate Etiquette	
	Commerce	BCMDE 3125	Start-up Management	Shift I, II & III
		BCMDE 3225	Sustainable Business	

NOTE: Multi-Disciplinary Course (MDC) classes for 3rd Semester students will commence on **1st July 2026 (Wednesday)**. As MDC is a **2-credit course**, there will be **two classes per week**. Since the total number of classes will be fewer than for 3- and 4-credit courses, regular attendance is essential. Kindly attend all classes to maintain **100% attendance** and avoid any attendance shortage.
