ELIGIBILITY FOR READMISSION FOR THOSE WHO HAD ATTENDANCE SHORTAGE IN EARLIER SEMESTERS

FOR UNDERGRADUATE (UG) COURSES OF THE ODD SEMESTER 2026-2027 (For theory and practical courses):

2021 and earlier batch UG students are not eligible to rejoin in any semester, even if they have one subject attendance shortage.

2022 batch UG students, except students of the B.Voc. program who had attendance shortage in one course or the entire semester, in theory, need not rejoin the course(s). They can directly apply for the next available regular supplementary examination. They cannot apply for the special supplementary examination. However, the 2022 batch B.Voc. students are eligible to rejoin the V semester.

2022 batch students who had attendance shortage in one course or all courses of that semester in practical, are eligible to rejoin the course(s) in the I, III, and V semesters, provided they have hall tickets to write the theory semester examinations in the respective semesters. They will be allowed to write the practical semester examination only after attending at least 75% of the practical classes.

2023 batch UG students, except students of the B.Voc. program who had attendance shortage in one course or the entire semester, in theory, need not rejoin the course(s). They can directly apply for the next available regular supplementary examination. They cannot apply for the special supplementary examination. However, 2023 batch B.Voc. students are eligible to rejoin III and V semesters.

2023 batch students who had attendance shortage in one course or the entire semester in practical, are eligible to rejoin the course(s) in the I, III, and V semesters provided they have got hall tickets to write the theory semester examinations in the respective semesters. They will be allowed to write the practical semester examination only after attending at least 75% of the practical classes held.

Students with practical components must register for the corresponding practical sessions at the beginning of the odd semester of the 2026-2027 academic year, attend the required lab sessions, and subsequently appear for the lab examinations.

The 2024 batch students are eligible to rejoin the I and III semesters.

The 2025 batch students are eligible to rejoin the I semester.

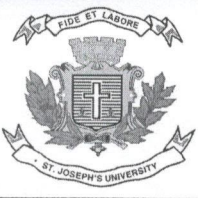

FOR POSTGRADUATE COURSES OF THE ODD SEMESTER 2026-2027 (For theory and practical courses):

2022 and earlier batch PG students are not eligible to rejoin in any semester, even if they have one subject attendance shortage.

2023 batch PG students are eligible to rejoin for the III semester, either for the entire semester or for a single course. 2023 batch PG students are eligible to rejoin for a course in the I semester but not for the entire semester.

2024 batch PG students are eligible to rejoin I and III semesters either for the entire semester or for a course in that semester.

2025 batch students are eligible to rejoin Ist semester for the entire semester.
